Art About Town Map

A Guide to our Outdoor Gallery and Exhibitions

Transport through the Ages

2018's outdoor gallery celebrates the many methods of "getting around" that mankind has created and a few we haven't quite invented yet! Many thanks go to all the artists for these superb works, to those who have given permission for us to use their walls, to the Scouts for the use of their hut for painting sessions and to our hardworking committee members. The paintings will be on display until 11th July.

Children's Outdoor Gallery
